Dear Hiring Manager,

I am applying for the IT Support Analyst position to gain skills and knowledge through real world experience. Currently, I am pursuing an Associate of Applied Science degree in Computer Information Science at Ozark Technical Community College. After finishing my AAS, I plan to continue my education towards a Bachelors degree in Computer Science. I want to get hands-on experience in a real work environment through this job and work hard to overcome any obstacles. Thank you for your time and consideration. I look forward to the opportunity to further discuss the IT Support Analyst position.

Sincerely,

Maksim Leontiy
